

TECH AS A SERVICE

In today's world why pay for outdated technology?

Tech-as-a-Service allows you to keep your technology completely up-to-date. Source the right technology today, at the lowest price, and remain adaptable and agile for the changes coming tomorrow.

Here are the key benefits to the Tech-as-a-Service Subscription programme (TaaS)

Reduced cost of ownership

Save up to 30% of the total cost of ownership of hardware and software. Plus spread your VAT payment over the term and pay it on a smaller amount.

Manage your cash flow

Control your spend and spread the cost over the useful life of your technology and services.

Better Equipment

Keep yourself ahead of the game with the latest technology. Improve your employees level of satisfaction and productivity, all at a lower cost.

More often

get equipment faster and more often to ensure you get the best from the technological advances available to you.

Simplicity

Put your hardware, software and technology services all on one simple payment (monthly, quarterly or annually).

Flexibility

A subscription still gives you choices, at the end of the programme you can choose to return equipment (and ideally get new), keep equipment longer or even purchase it – So you are not losing the control.

Fully compliant

Take comfort in this being fully compliant with financial regulations. Tech-as-a-Service is always compliant with this as there are algorithms built into the subscription platform.

THE BLUEGRASS DIFFERENCE

Your IT infrastructure underpins your business success. It needs to support your day to day operations and facilitate your future growth.

By choosing this service with Bluegrass Group, you'll benefit from partnering with a Managed Services Provider who's small enough to care, but big enough to cope.

Established in 2007 and serving clients across the UK, you can rest assured knowing you're in safe hands. We'll proactively support, protect and enhance your IT systems 24/7/365 days a year to allow you to get on with what you do best.

Unlike some larger providers, you'll always receive a personalised service with dedicated contact every step of the way.

Customer service excellence is our number one priority and our entire team are here to make your life easier. From Relationship Management that truly listens to your individual business needs, pain points and goals, to Engineers who consistently receive an average score of 5 out of 5 for support.

You'll be able to take advantage of having access to highly skilled technical experts who can provide you with ongoing advice, systems design and implementation

By moving your services to Bluegrass Group, you'll also enjoy a seamless integration experience with a dedicated point of contact, plus on-going benefits such as one invoice, one phone number and complete compatibility across all of the services you take from us.

We are dedicated to enabling our employees to inspire businesses to get the most out of technology so that, together, we can help you achieve success.
